Mr. and Mrs. George Nolan are visiting friends in Astoria. Mrs. Nolan arrived here Wednesday and will visit her old home at Seaside before returning to their home at Klamath.

L. S. Nanthrup went to Portland last night and while there will look after the interests of the Saengerfest which will be held here during the Regatta.

ECZEMA.

For the good of those suffering with eczema or other such trouble, I wish to say, my wife had something of that kind and after using the doctors' remedies for some time concluded to try Chamberlain's Salve, and it proved to be better than anything she had tried. For sale by Frank Hart and leading druggists.

NEW TIME CARD.

A. & C. R. R. Make Important Change in Train Departures.

The winter time card for the A. & C. R. R. Co. will go into effect on Monday, September 9. The principal changes from the present time table will be that train No. 24, leaving Portland at 6 p. m. and running through to Seaside and Holladay, will hereafter only run as far as Astoria.

The Seaside local, which leaves here at the present time at 8:15 a. m. under the new schedule will leave here at 9:15 and run through to Holladay direct not going down on the Fort Stevens branch, arriving at Holladay at 10:30 a. m. On the return will leave Holladay at 10:34, arrive at Warrenton at 11:25 where it will connect with the train from Portland and will leave Warrenton at 12:10 for Fort Stevens, arriving at 12:25. It will leave Fort Stevens for Astoria at 2 p. m. and arrive at Astoria 2:45.

On Sunday the train will leave here on the same schedule as now, 8:15, and run to Holladay via Fort Stevens.

The time card in other respect will be the same as at the present time.

The keeping on of the local between here and Seaside and making it a permanent fixture is something that has been needed for a long time. Heretofore it has only run during the summer months but the increase in traffic and business on the west side has made it necessary to keep it on permanently.

DOUBLE-HEADER ON SUNDAY.

Two Games Will be Played With Woodburn—Whitmore to be Present.

President Chester A. Whitmore, of the Tri-City League, will be in Astoria Sunday and will be present at the game to be played in the afternoon between the Woodburn team and the Bohemians. President Whitmore has a loyal regard for the City-by-the-Sea and he is also a firm believer in baseball and the way the teams of his league are playing the game. He was in Astoria on the opening day of the present baseball season and comes again to see Woodburn play its last games here.

Manager Brown offers a good bill in the way of baseball Sunday afternoon. There will be two games played. Woodburn is behind a couple of games on its season and one of them will be played off here. A two-game feature is something which the fans have not seen in Astoria and the promise of two fast games will bring out a good crowd, especially while the president of the league and a number of his friends are present.

NO FUMIGATION YET.

But Quarantine Officer Expects Orders Will be Issued Soon.

There has been no news received by Dr. John M. Holt, of the Columbia River Quarantine Station, as to the exact day for the order for fumigating vessels coming to the Columbia River. Dr. Holt said that he expected some definite news yesterday but that departmental delays were to be looked for and he could not assume any day for the time for the order to go into effect.

Men who are connected with vessels on the waterfront are non-committal in regard to the subject of fumigating vessels and while they say that it is apt to delay a ship a few hours once a month yet they say that the plan is a good one to prevent the spread of the Bubonic plague or any other disease and think that the quarantine office is to be commended on its prompt way of meeting the situation.
